## II. Basis for Jurisdiction:

Federal courts are courts of limited jurisdiction. Only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case involving the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one state sues a citizen of another state and the amount in damages is more than \$75,000 is a diversity of citizenship case.

A. What is the basis for federal court jurisdiction? (check all that apply)

☒ Federal Questions

☐ Diversity of Citizenship

B. If the basis for jurisdiction is Federal Question, what federal Constitutional, statutory or treaty right is at issue? Deprivation of due process rights, fourth amendment "seizure" rights, second amendment, keep and bear arms, mandatory storage clause, first amendment, freedom of religion, 42 U.S.C. 1983, Constitutional law 4401, sections 1161, 1206, 1207, 1383, 1392, 1448.

C. If the basis for jurisdiction is Diversity of Citizenship, what is the state of citizenship of each party?

Darrell E. Emerson  
Against  
City of New York et al  
"City Defendants"

1. Plaintiff argues based on new evidence [Lt. John Eagan of 46<sup>th</sup> Pct NYPD, Joe Doe defendant] from counselor Jeffery Dantowitz representing "City Defendants".
2. Lt. John Eagan of 46<sup>th</sup> Pct NYPD is John Doe defendant allegedly who authorized Sgt Kevin Hoare of 46<sup>th</sup> Pct NYPD to remove all firearms from plaintiff home on 08/17/2006.
3. Lt. John Eagan of 46<sup>th</sup> Pct NYPD violated plaintiff right to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, under the fourth amendment, and violating plaintiff right to keep and bear arms under the second amendment rights, and violating the plaintiff right to due process of the law under the fourteenth amendment, and further violating 42 U.S.C. 1983.
4. Lt. John Eagan of 46<sup>th</sup> Pct NYPD is the John Doe defendant who reported to Administration for Children Services that, allegedly plaintiff had "loaded gun within reach of the child". Although city agencies and NYS licensed individuals are required [mandated] to report any suspected alleged abuse and or neglect of children, furthermore they have a obligation, even a duty to report the correct facts, in a non-negligent fashion, with reasonable care, and unbiased investigation, plaintiff alleges conduct of Lt. John Eagan caused the plaintiff damage.
5. Clearly Lt. John Eagan of 46<sup>th</sup> Pct NYPD, failed to report accurately, regarding alleged loaded gun, further failed in his assessment and investigation on scene [Home of plaintiff] regarding alleged loaded gun "within reach of the child", this material fact highlighted by, Hon. Judge Allen G. Alpert, New York State, Bronx County Family Court, assessment of the facts, regarding gun allegedly within reach of the child, Hon. Judge Alpert ruled that plaintiff had exercised proper precautions to secure all firearms in his possession, importantly concluding that evidence presented by plaintiff were "powerful evidence of the precautions taken" by plaintiff, and importantly that the "Unloaded gun was not within reach of the child", in glaring contrast to Lt. John Eagan of 46<sup>th</sup> Pct NYPD, subjective, arbitrary, prejudicial/bias assessment and subsequent investigation [report] of the facts and circumstances surrounding incident on

08/17/2006, Hon. Judge Alpert dismissal on 01/24/2008, is a material fact and the plaintiff most compelling evidence in this action, neither Counselor Dantowitz nor Counselor Zonghetti dispute this material fact, Hon. Judge Alpert dismissal not even mentioned by either of the counselors.

6. Lt. John Eagan of 46<sup>th</sup> Pct NYPD manufactured false evidence to support alleged "emergency circumstance" [alleged "Loaded Gun"] and alleged abuse of "emergency removal" and is allegedly guilty of criminal collusion. Lt. John Eagan report is significantly contradicted by P.O. Officer Adrian Ramos, on 08/17/2006 was member 46<sup>th</sup> Pct NYPD, initial officer on scene, testified in Bronx County Family Court, on 11/14/2007 that "gun was Unloaded" [material fact]. General issue of material fact, as to whether Lt. John Eagan knew gun was unloaded and fabricated report intentionally to deprive plaintiff of constitutionally and or statutory rights, plaintiff argues that the alleged manufacture of false evidence is at issue, "right at issue in this case" the right not to be deprived of liberty as result of the fabrication of evidence by a government officer acting in an investigative capacity.

: Anthony v. Baker, 767 F. 2d 657,662-63 (10<sup>th</sup> Cir. 1985).

Manufacturing of evidence and the states use of that evidence to obtain wrongful conviction indisputably denied him [plaintiff] rights secured by the Due Process Clause .

: Newsome v. McCabe, 256 F. 3d 747, 752 (7<sup>th</sup> Cir. 2001).

7. Lt. John Eagan of 46<sup>th</sup> Pct NYPD allegedly violated plaintiff right to keep and bear arms, under the second amendment, further that mandatory storage is unconstitutional, plaintiff within bounds of his second amendment protection, according to Hon. Justice Gary J. Weber of NYS Supreme Court, Suffolk ruling, Joseph L. Coloaiavo v. Richard Dormer, further plaintiff right to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures shall not be violated, under the fourth amendment and plaintiff right not to be deprived of life, liberty or property without due process of the law under the fourteenth amendment and further allegedly violating 42 U.S.C. 1983.
8. Plaintiff argues allegedly Lt. John Eagan of 46<sup>th</sup> Pct NYPD directed P.O. Officer Stacy Black and P.O Officer James Rivera both, of 46<sup>th</sup> Pct NYPD to abusively [By violently shacking child], interrogate child while at sleep, at 3:00am on 08/18/2006, on scene at St. Barnabas Hospital Emergency room.

- ③
9. Plaintiff argues on grounds mentioned above, #4 #5, #6, alleged criminal collusion and alleged child abuse with respect to Lt. John Eagan, P.O. Officer Stacy Black, P.O. Officer James Rivera, of the 46<sup>th</sup> Pct NYPD.
  10. Plaintiff argues that allegedly two different witnesses, Jane Doe staff nurse St Barnabas Hospital commented to P.O. Officer Stacy Black and P.O. Officer James Rivera both of the 46<sup>th</sup> Pct NYPD, that “you could give a child whiplash by shacking her like that”
  11. Plaintiff argues that second witness, John Doe ACS worker accompanied by ACS Supervisor (2) Leslie Smith, allegedly commented to P.O. Officer Stacy Black and P.O. Officer James Rivera both of 46<sup>th</sup> Pct NYPD that “you could have a lawsuit for shacking a child like that, especially when it [examination] was unfounded “.
  12. Plaintiff argues that the alleged abuse of “emergency circumstance” argued by Counselor Dantowitz and subsequent “alleged abuse of “emergency removal” is alleged policy and or custom [“at issue”] that, deprives parents liberty protected interest rights, and constitutional section 1392; disrupted familial relationships of plaintiff, thereby clearly implicating federally protected rights, and further allegedly violating under the due process clause of the fourteenth amendment, and violates right to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, under the fourth amendment and further violates 42 U.S.C. 1983.
  13. Plaintiff argues that the “manufactured false evidence” [allegedly by Lt. John Eagan of 46<sup>th</sup> Pct NYPD] is at issue and directly correlates to alleged “emergency circumstance” and subsequent alleged abuse of “emergency removal” which Counselor Dantowitz representing “City Defendants” argues in his pre-motion to dismiss [“emergency circumstance”], letter dated 11/18/09; further Dantowitz argues alleged sexual abuse, as support for alleged “emergency circumstance” which [material fact], the sex abuse allegation determined unfounded by [Dr. Henry Bruce, St Barnabas Hospital], same night 08/18/2006, and when unfounded determination occurred, the alleged “emergency circumstance” ended, further subject child had been discharged

④

14. Lt. John Eagan allegedly abused his authority, alleged abuse of process ["emergency circumstance and emergency removal"], and alleged; intentional and or negative infliction of emotional distress, gross-negligence, [with deliberate indifference], failure to exercise professional judgment, knowingly violating the law, reckless, failure to adequately supervise subordinate officers, either knew or should have known that his actions/conduct would violate plaintiff constitutional and or statutory rights, if proven true, clearly defeating any qualified immunity claim by Counselor Dantowitz, further causing plaintiff damage and is an alleged policy and or custom that is unconstitutional, executed with reckless, deliberate indifference, constituting alleged grounds for Municipal liability. "Historically this guarantee of due process has been applied to deliberate decisions of government officials to deprive a person of life, liberty, or property."

: Daniels v. Williams, 474 U.S. 327, 331, 88 L. Ed. 2d 662, 106 S. Ct. (1986).

15. Counselor Dantowitz further argued that, removal of firearms was justified based on alleged "emergency circumstance", plaintiff objects; general issue of material fact as to whether, Lt. Eagan allegedly manufactured false evidence, and further under second amendment protection, [District of Columbia v. Heller] confiscation allegedly violates the "mandatory storage clause", which was ruled as unconstitutional by NYS Supreme Court, Suffolk County, Hon. Justice Gary J. Weber, Joseph L. Colaiacovo v. Richard Dormer, in exhibits this action, further was clearly unreasonable, and is alleged violation of plaintiff right to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, ~~fourth Amendment~~, ~~further violated, due process, Fourteenth Amendment~~, and further allegedly violated 42 U.S.C. 1983. Further there were alternatives available,

however Lt. John Eagan chose the most extreme measures, depriving plaintiff of his liberties, [all firearms] based on alleged abuse of "emergency circumstance", plaintiff reported to CCRB [#07-25855] regarding conduct of officers from 46<sup>th</sup> Pct NYPD during incident 08/17/2006; alleged photos [cell phone] plaintiff shotgun, officer [John Doe ["this would be nice with me"], anti religious, ethnic comments, desecration of holy shrine of parents of plaintiff, threatened with arrest if we asked any questions, illegally searching apartment without permission, or warrant, racial overtones, and further frivolous alleged sexual abuse [fabricated], determined unfounded by Dr. Henry Bruce, 08/18/20, significantly when the unfounded determination occurred, the alleged "emergency circumstance" disappeared.

Counselor Dantowitz further argued that Hon. Judge Alpert ruled that child was in imminent risk, suggesting credibility to alleged "emergency circumstance", however Plaintiff argues that, Family Court Judges are mandated to enact this [Imminent risk] factor, initially to protect well-being of children, further it is preliminary action, and a common practice, clearly this process do not

establish credibility to actual imminent risk, error on the side of caution? [child protection], when the facts were clearly established, however Hon. Judge Alpert ruled to dismiss the Neglect Petition, and in his Court opinion; lambasted City of New York, ACS and law enforcement, for maligning plaintiff with unjust case, Court opinion, Dismissal "In the Furtherance of Justice".

:

16. Lt John Eagan of 46th Pct NYPD sworn to defend the United States Constitution and further to protect and serve the citizens of New York City, unfortunately Lt. John Eagan has allegedly clearly failed to defend the constitutional and or statutory rights of the plaintiff, simultaneously depriving plaintiff of his liberty protected interest unjustifiably, regarding the incident that occurred on or about 08/17/2006, at home of plaintiff, and further failed to protect and serve the plaintiff liberties regarding same incident. Lt. John Eagan of 46<sup>th</sup> Pct NYPD allegedly manufactured false evidence, to support "emergency removal" of child from St. Barnabas Hospital, Counselor Dantowitz attempts to cloak this defendant with qualified immunity and, this insulation should be defeated, although counselor Dantowitz continues to insulate his defendants with claims of qualified immunity, emergency circumstances, improper service, etc and anticipated motion to dismiss, however plaintiff is confident complaint sufficient facts to plead and further sufficient facts to prevail, if it pleases the Court and the Court allows plaintiff opportunity to be heard and present evidence...

### **Cause of Action:**

---

#### **1. First Cause of Action (1983/ Due Process of the Law)**

- A. "By Lt. John Eagan of 46<sup>th</sup> Pct NYPD authority, [on scene] removal [confiscation] of legally residence and licensed firearms from home of plaintiff on 08/17/2006, executed by Sgt. Kevin Hoare of 46<sup>th</sup> Pct NYPD, "under color of state".
- B. Counselor Dantowitz argued in letter 11/18/2009 that claimed "emergency circumstance" and "objectively reasonable basis", allowed removal of firearms, Plaintiff, argues, alleged misconduct of Officers from 46<sup>th</sup> Pct NYPD, 08/17/2006 on scene, CCRB [#07-25855] reported regarding multiple complaints ranging from; [John Doe] officer taking photos [cell phone] of plaintiff shotgun, commented "this would be nice for me", anti- religious, ethnic comments, desecration of holy shrine to plaintiff parents, illegally searching apartment without permission, and or warrant, threatened with arrest if we asked any questions, humiliated, confiscation of all legally licensed firearms, ammunition, papers and effects,

- 6
- C. Lt John Eagan never responded to plaintiff complaints, however Sgt. Hoare did visit the plaintiff home while on duty, expressed his personal apologies for some of the officers conduct that incident, of 08/17/2006, clearly Lt. John Eagan was responsible as senior officer, to adequately supervise his officers, plaintiff alleges that correlation between conduct of officers and including but not limited to Lt. John Eagan failure to adequately supervise conduct of officers under his command, subsequent with his decision to remove [all of the] plaintiff firearms,**
- D. plaintiff further objects, due to allegation of Lt. John Eagan, manufacturing false evidence, [at issue], and [all of these] defendants knowingly violated the law, either knew, or should have known that their conduct would violate plaintiff constitutional and or statutory rights, occurring simultaneous with firearm removal action, significant plaintiff argues, law enforcement investigative process was allegedly prejudicial, arbitrary, and allegedly criminal collusion occurred? general issues of material fact, regarding conduct of Lt. John Eagan; alleged manufacture false evidence, and or gross-negligence [with deliberate indifference], failure to adequately supervise subordinate officers, unreasonable, alleged unconstitutional decision to remove all firearms, if it pleases the Court, plaintiff should be heard.**
- E. When there were alternative possibilities to this course of action, however the Lt. John Eagan and Sgt. Kevin Hoare, rushed to judgment, executed the most extreme action [confiscation], plaintiff has factual incident similar to incident of 08/17/2006, demonstrating the correct alternative action regarding non-removal of firearms in this type scenario, that will be presented in anticipated opposition to motion to dismiss, and without considering plaintiff constitutional and or statutory rights, the firearms issue was coincidental to alleged sex abuse investigation, and as result, confiscation should not have been authorized at this point.**
- F. When Dr. Henry Bruce determined that sex abuse allegation was unfounded, the alleged "emergency circumstance" disappeared, yet the deprivation of plaintiff liberties had preceded the unfounded determination by Dr. Bruce, without forethought of plaintiff liberties, by Lt. John Eagan, causing the plaintiff damages.**
- G. [All of these] defendants [under color of state] allegedly violated plaintiff right to keep and bear arms under the second amendment, further allegedly violated plaintiff right to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, under the fourth amendment, and allegedly violated plaintiff right not to be deprived of life, liberty, or property, without due process of the law, under the fourteenth amendment, and allegedly constitutional law 4401 ,**

sections, 1161, 1206, 1392, 1448 and further allegedly violated 42 U.S.C. 1983. "

**Support Cases:**

1. U.S. Supreme Court; District of Columbia v. Heller.. U.S.-128 S. Ct. 2783
2. New York State Supreme Court, Suffolk County; Joseph L. Colaiacovo v. Richard Dormer, Index # 08-020230
3. McCoy v. City of Monticello, C.A. 8 (Ark.) 2003, 342 F. 3d 842.
4. Swine hart v. McAndrews, E.D. Pa. 2002 221 F. Supp. 2d 552
5. Constitutional law; 4401, section, 1206; Due process of the law

**2. Second Cause of Action, (1983/ Due Process of the law)**

A. "By Lt. John Eagan of 46<sup>th</sup> Pct NYPD, manufacture of false evidence, by report to Administration for Children Services; alleged "loaded gun within reach of the child", Lt. John Eagan [on scene] St. Barnabas Hospital, P.O. Officer Stacy Black and P.O. Officer James Rivera allegedly directed by Lt. John Eagan to interrogate subject child while sleeping at 3:00am [abusively shacking], allegedly observed by two witnesses, Jane Doe St. Barnabas Hospital Staff Nurse, commented to P. O. Officer Stacy Black and P.O. Officer James Rivera, both of 46<sup>th</sup> Pct NYPD, that "you could give a child whiplash by shacking her like that" John Doe ACS Worker accompany to ACS Supervisor (2) Leslie Smith [on scene] commented to same Officers that "you could have a lawsuit for shacking a child like that, especially since case was unfounded".

B. Additionally P.O. Officer Stacy Black and P.O. Officer James Rivera working in concert with ACS Worker, Herta Olivia Taylor, executed the illegal removal [alleged abuse of "emergency removal"] of subject child, disregarding Dr. Henry Bruce discharge order to return home, follow-up with Dr. Rice [C.A.C.], and glaringly the unfounded determination of Dr. Bruce, this conduct suggest motivation beyond dynamic of typical investigation, and grounds for alleged criminal

collusion, and alleged manufacture of false evidence [at issue], child abuse, general issue as to material fact as to whether Lt. John Eagan was responsible for ordering these actions and his alleged manufacture of false evidence, failure to adequately supervise subordinate officers, conduct which caused the plaintiff damages.

C. Lt. John Eagan "under color of State" is allegedly; guilty of abuse of authority, abuse of process ["emergency removal"], intentional and or negative infliction of emotional distress, and or gross-negligence [with deliberate indifference], failed to exercise professional judgment, failure to adequately supervise subordinate officers, and further the alleged "emergency circumstance" and the alleged abuse of "emergency removal" with deliberate indifference, are alleged policy and or custom that is unconstitutional and allegedly grounds for Municipal liability, [amplified in anticipated opposition, motion to Dismiss].

D. [All of these] defendants knowingly violated the law, forfeiting qualified immunity, further [acting under color of state], allegedly violated plaintiff right to be secure in his person, house, papers, and effects, against unreasonable searches and seizures, shall not be violated, under fourth amendment, and plaintiff right not to be deprived of his liberty protected interest, in companionship of his child, his life, liberty, or property under fourteenth amendment, constitutional law 4401, sections; 1392, 1448, 1207, 1161 and further 42 U.S.C. 1983."

**3. Third Cause of Action (1983/ Due Process of the Law)**

- A. "By Lt. John Eagan working in concert with ACS Supervisor (2) Leslie Smith, both allegedly manufacturing false evidence, included in Neglect Petition [NN-20237-06], dated 08/21/2006, working in concert with Linda Williams McCarthy, Assist Corp Council, City of New York, prosecuted these fabricated allegations, allegedly manufactured false evidence, general issue material fact as to whether, defendants [Lt. John Eagan, Leslie Smith] intentionally deprived plaintiff of his liberty protected interests, disrupting familial relationships, Lt. John Eagan of 46<sup>th</sup> Pct NYPD, and Leslie Smith, ACS, Child Protection Specialist, Supervisor (2),
- B. [All of these] defendants knowingly violated the law, "Under Color of State", failed to exercise professional judgment, either knew, or should have known that their conduct would violate constitutional and or statutory rights of plaintiff, [McCarthy] allegedly, engaged in dishonesty, constitutional tort of malicious prosecution, [Smith] allegedly, manufactured false evidence, abused authority, abuse of process, criminal collusion, intentional and or negative infliction of emotional distress [Lt.
